Vendors in violation will be asked to leave the event immediately (with no exceptions), will not receive a refund and will be excluded from future events.

Fire Extinguisher Requirement:

The City of Boulder City is now requiring all booths be equipped with a 5 lb. ABC fire extinguisher with a current stamp (2021). Fire extinguishers must be in plain view and easily accessible, as the Boulder City Fire Department will conduct inspections prior to and during the event to ensure compliance. Smoking within vendor spaces is prohibited.

SNHD Regulation Compliance for Food Products & Samples

All food products, samples and tastings must be in compliance with all Southern Nevada Health Department regulations. Vendors in violation of SNHD regulations will be ejected immediately and no fees will be refunded. **ANYTHING edible or drinkable must be listed on Food Vendor Application.**
